The Town of Gull Lake is pleased to join the City of Swift Current and adopt the Safe Places - Youth certified initiative. The initiative proposes that anyone in a position of power or supervision over our community youth should first be properly trained and vetted. To achieve this purpose, the Town of Gull Lake requires all participants to take online training through Respect Group and obtain a criminal and vulnerable sector background check. Upon successful completion, all participants will be deemed Youth Certified for a period of three (3) years.

I, _____ of _____, hereby apply to be deemed Youth Certified and I file the following with the Town of Gull Lake:

1. Proof of successful completion of Respect Group training;
2. A current criminal record report;
3. A current vulnerable sector report.

I hereby grant the Town authority to retain the above stated documents on its data base. I concurrently grant the Town of Gull Lake the authority to disclose whether I have been deemed Youth Certified to any bona fide individuals who provide you my name and certification number or any one serving youth within Swift Current.

Dated this _____ day of _____, 20_____.
