

Gull Lake Landfill is transitioning to a Transfer Station which will be a facility used to temporarily store solid waste before that solid waste is transported to a waste disposal facility. With the transfer station comes additional costs for bin rentals, transportation and landfill fees. As a result, effective May 17, 2021 the following fee schedule will come into effect. If you have any questions or concerns, please contact the Town Office at 306-672-3361.
